Re Request to Postpone Agenda Item 87, Public Hearing on request by Reagan National Advertising, Inc , to waive or modify requirements established by Section 25-10-152(B)(6) of the City Code for existing off-premise signs (billboards) proposed for removal and relocation

Dear Mayor and Councilmembers

Agenda Item 87 on the City Council Agenda for today is a public hearing on a request by our client, Reagan National Advertising, Inc , for approval by the City Council of a waiver or modifications to certain requirements concerning voluntary relocation of a non-conforming off-premise sign

We understand you have heard from a number of individuals and neighborhood associations who have expressed concern about this request. Instead of proceeding with the public hearing at 6 00 p m , our client requests that when the agenda item is reached the City Council postpone and reschedule the public hearing to 6 00 p m on February 15, 2007. This additional time will provide our client the opportunity to visit with those who have expressed concerns, answer questions about the request, and attempt to address their concerns.
